UTILITY CHECKLIST

BEFORE YOU MOVE:

- Contact your current providers to schedule shut-off or transfer dates.
- Confirm final meter readings and note them for your records.
- Pay any outstanding balances on current accounts.
- Apply to transfer any hot water tank rentals.

SET UP FOR NEW HOME:

- Arrange electricity and water setup (Hydro One, Enwin Utilities, Essex Powerlines).
- Schedule internet and TV installation (MNSI, Bell, Rogers, Cogeco).
- Set up natural gas service (Enbridge or Reliance).

AFTER MOVING IN:

- Test all utilities and confirm activation.
- Note locations of breaker panel and water shut-offs for quick access.
- Store utility account info, passwords, and emergency numbers in a safe place.
- Test smoke and carbon monoxide detectors.
